Divestment of France Operations Receives Foreign Direct Investment Clearance

July 14, 2026 — Cumberland Farms welcomes the Foreign Direct Investment approval of EG On The Move's acquisition of Cumberland Farms' France operating business, which was received from the relevant French regulatory authorities on July 10, 2026.

The transaction is expected to complete on July 31, 2026, and net proceeds from the transaction will be used to repay debt. A further update will be provided on completion.

About Cumberland Farms

Cumberland Farms is one of the world's largest independent convenience retailers, operating more than 3,200 locations across the United States and Europe as of March 31, 2026. Cumberland Farms offers a wide range of high-quality, value-oriented products with a focus on convenience and excellent customer service. Across its extensive network in the U.S., Germany, and Benelux, Cumberland Farms has developed a strong brand identity through its strategically located high-volume sites, attractive underlying real estate, curated in-store offerings and growing foodservice offering.

Cumberland Farms is a trading name of EG Group Limited.
